

MCDL Divisional Meet Positions 2022

As MCDL Team Representatives you are responsible for part of the Divisional meet. Your responsibilities can be delegated to someone at your pool. Picking an organized person helps the meet to run smoothly.

Volunteer Coordinator

Open **Divisional Volunteer spreadsheet**. Enter the pools in your division on lines 3 and 30. The first column goes to the host pool. Save file and send to pools in your division after the last dual meet. Ask Dive Reps to fill in their Pool column with adults and then send it back to you ASAP so you can fill in a Master spreadsheet. Tell Reps that parents should NOT JUDGE or REFEREE in events with their own kids. NONE of the volunteers should be new to their positions. This is not the meet to learn! Use your best judgment in creating the Master schedule – what teams of people will work best together? Plan to use fast- talking (but clearly annunciating) people as announcers. Put easy-going, even- tempered, experienced people at the table positions, place good veteran people as Referees, and use FAIR people as Judges (fair meaning unbiased, not so-so or average!).

Redistribute the Master Spreadsheet to each pool so pools can notify their volunteers.

Print 3 copies and take to divisional meet to be posted in 2 places. One copy should be at the table for the Table Coordinators.

Sometimes Volunteer Coordinators blow up one copy and post it on an easel near the table at the meet.

Host Pool

As host pool you will oversee the meet and act as a floater to resolve issues without disrupting the flow of the meet. You should have gotten Divisional ribbons and trophies from Stephanie as well as Divisional results forms, All Star sheets, etc.

-Sample Programs and Sample Schedule are on the MCDL website under forms <https://www.mcdiving.org/pages/forms>

Before Meet Preparation

Some pools print out a Divisional Program. This is nice but not a requirement. If you choose to do this please include your division divers' statistics from the website. If you wish, you can print them in a booklet and make them available to spectators. If the host pool doesn't want to print a program, ask if any of the other pools want to do this as a task. Host pool is responsible for getting Dual & Divisional meet trophies and ribbons from the Board (Stephanie).

Morning of meet

by 7AM on the day of Divisionals:

- Set up the pool area with tables, official's chairs, and a good PA system.

- Provide poster board or place to post the schedule of events and the respective volunteers.
- As pool fundraising, provide snacks, food, and beverages including coffee!
- Meet should start promptly at 8 AM!!!
- Announcer should be located in clear view of the judges chairs and should be given proper cover
- Table workers area – at least 2 long tables

Throughout Meet

Make sure as a Host that you plan for concessions. Divisional meets usually last from morning until 1:00 or 2:00 PM. You'll want to provide both breakfast and lunch items for sale. Provide coffee and cocoa, doughnuts, and other items depending on the weather... (lots of water, Gatorade, fruit, and ice if it is hot, and lots of coffee if it is cold).

 - * Awards for event 2 shall be given out before event 4, etc.

After all events have concluded and individual diver ribbons/medals have been awarded:

- Award the two trophies to the Team Dual Meet and Team Divisional Meet Champions.
- One of the Table Coordinators should Check/Sign results sheets and input ALL of the results on the MCDL website and bring completed Divisional Forms to All Star meets or give to a member of the MCDL Board or Steve Bettinger (All Star Meet Manager)

All-Star/Wildcard Coordinator

Before the Divisional meet be sure to print the All Star Volunteer Spreadsheet. Arrange for 1-2 people from your pool to man an All Star Signup table at Divisionals.

After awarding ribbons in each event - Grab qualifying divers (top 3) to commit to All Stars, if one of the top 3 cannot make it then the fourth place finisher will be able to sign up. Have Wild Card divers sign up as well. Give divers the All Star dive sheet and tell them to complete and turn in 30 minutes before the start of the All Star Meet.

Materials: <https://www.mcdiving.org/pages/forms>

- All Star Dive sheet- (host pool should have these)
- All Star Volunteer Spreadsheet for PARENTS to sign up to work as a Table worker.
- All Star Qualifier Form

As All Star Coordinator, you will be relied upon to provide the best of your Division when it comes to volunteers to help us run the Allstar Meets. You know who good table workers are

Complete the Allstar Volunteer spreadsheet and

Email to Steve Bettinger (stevebettinger@yahoo.com) and to

Wild Card-You will need to download and bring with you a copy of the Wild Card Diver List. This list is being prepared by our Webmaster, and will be available by mid-week prior to the meet. Your best way to handle this job is to work closely with the table as the top 3 divers are being announced. Also note who are the 4th place finishers, as they may replace one of the top 3 place finishers automatically if one of the top 3 divers opts out of the All-Star Meet. Be sure to I.D. the Wild Cards as soon as possible.

1. Sign up the top three finishers
2. If one of the top three finishers cannot attend then sign up the fourth place if he/she can attend.
3. Take the highest seeded diver from the wildcard list who can attend and who is not already signed up based on one or two above.

Once All-Star participants have been I.D.'ed **THEY SHOULD COME TO THE ALL-STAR TABLE WITH THEIR PARENTS!**

If you have any questions, please send us an email at board@mcdiving.org

Important! If any behavior warrants, such as unsportsmanlike behavior, out of control parents, coaches that are not putting safety first, or other attitudes that are not within the expectations of the MCDL, please confer with the Meet Secretary and the Meet Referee(s) to decide if a warning should be given. If a warning is needed, the line of communication from you as the Host Pool should speak directly to the Team Reps first. Each Team Rep is responsible for their pool's divers, coaches, and parents. You are required to notify the Team Reps and give one warning before asking anyone to leave. The Team Rep is expected to convey the warning. Once the warning has been given to the Team Rep, if the behavior continues, the offending person(s) may be ejected with forfeiture of their team if they do not comply. If you have reason to believe that a volunteer is under the influence of any impairing substances, please confer with the Meet Secretary and Meet Referee(s) about the situation and handle it appropriately. Thank them for volunteering, ask them to take a break, but please get them out of a volunteer position and recruit someone else.
